I have the honour to inform you that I am in receipt of a telegram from Semarang to the effect that one person, most probably a Chinese, is being expelled and sent to Shanghai by the "Tjinegara" which is expected to arrive here on May the 6th.

So far I have received no particulars as to the person expelled or the reasons for his deportation, which may be political or purely administrative, but as soon as particulars are received I will not fail to notify you at once.

I have the honour to be,

Sir,

Your obedient servant,
